## AVIATION LAW IN UAE

We are well-versed in Aviation Laws and our lawyers have the essential knowledge of both Federal and Emirate laws. It is pertinent for the lawyers handling matters related to Aviation to have combined knowledge of Federal Law No. 20 of 1991 (Civil Aviation Law), Federal Law No. (4) of 1996 (Civil Aviation Authority), along with applicable laws of the Emirates and international law. The team at HK Advocates provides expert services specifically in light of Federal Aviation Laws as well as applicable Emirate and International Law.

The General Civil Aviation Authority regulates the provision of aviation services, licensing and of civil aircraft in the United Arab Emirates and regulation of airports in the UAE. It also ensures the general regulations for airline safety and compliance.

As a well known firm operating in United Arab Emirates, we have advised clients across a wide range of issues surrounding general liability, emergencies and accidents, regulatory work dispute resolution and many other related matters.

In performing our legal services, we act for airlines, insurance companies, small businesses and individuals and our lawyers ensure to keep the matters confidential and demonstrate true professionalism in the execution of our duties, as we understand that the needs of our various Clients vary and we are always at hand to ensure that we are ready to meet those needs whenever they arise. Our team is dedicated to understanding the complexity involved in aviation and thus, provides most desired solution in light of our client's concerns.

## SCOPE OF LEGAL SERVICES

Our team is committed to offer the below Services, and many more, with utmost skill, due diligence and professionalism:

-  Providing adequate knowledge and advice on matters related to disputes including the rights and obligations of each of the parties whenever a dispute arises.
-  Advising airlines and drafting conditions of carriage, drafting terms and conditions for aircraft maintenance and service agreements.
-  Providing advice on charter, lease and sale of aircraft agreements.
-  Providing advice on matters related to the rights of the individual client in obtaining compensation from airlines in relation to flight delay and cancellation, travel arrangements and package holidays.
-  Providing advice on matters related to claims against equipment manufacturers for engine failure, defective designs and workmanship.
-  Providing advice on baggage handling and logistics agreements.

Providing advice, drafting policies and contracts, representing airlines and airline employees in employment and labour matters.

**In general, we provide legal advisory and undertake all kinds of disputes, complaints, representations, submissions concerning the matters related to aviation in the UAE.**
